

Customers...

- 🍆 Are not dependent on us;
- 🍆 We are dependent on them.
- 🍆 Are not required to participate in the meal programs; they choose to participate.
- 🍆 Are not an interruption to our work; they are the purpose for it.
- 🍆 Are not to be argued with or challenged; we want their business.
- 🍆 Provide us with our jobs; fewer customers can result in fewer foodservice positions.
- 🍆 Are coming to us to have their needs met.
